ReliefPad™
Enriching the lives of women around the world

**Reusable
Sanitary Pad
For Woman**

MADE IN INDIA

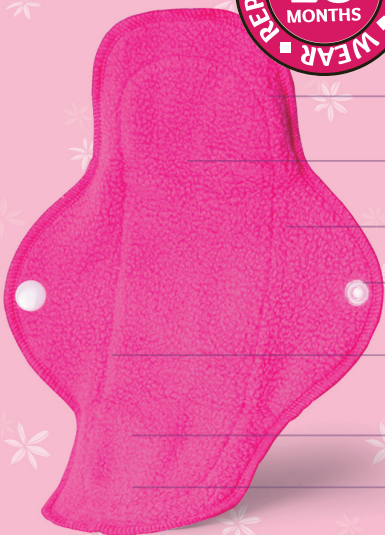

INFORMATION:

"Ajay Industrial Corporation Limited established in 1961 as a leading manufacturing company based in India primarily catering to the portable water requirements of the rural poor & urban middle class. We have developed this Pad solely for the purpose of providing an affordable hygiene menstrual solution for the female strata of the society.

RELIEF PADS ARE CERTIFIED BY:

- SGS India who has conducted REACH Test as advocated by European Union in regard to 191 substances of very high concern (SVHC).
- Uganda National Bureau of Standards – as per specification No. EAS 96 (2009) formed jointly by East African Community consisting of Kenya, Uganda, Tanzania, Burundi & Rwanda.
- Zambia Bureau of Standards
- South Sudan National Bureau of Standards
- Ethiopian Bureau of Standards
- Tanzania Bureau of Standards
- Ivory Coast Bureau of Standards
- NITRA a Govt. of India recognized laboratory – approved for 75 washes
- Intertek, India
- Thomson Research Associates INC. - Anti Microbial Test.
- SGS - Anti Bacterial Test.

SPECIAL FEATURES:

- LEAK PROOF
- QUICK DRYING
